

TRADITION CORNER MODULE

Designed by Povl Eskildsen

With Tradition, Povl Eskildsen has created a versatile outdoor sofa system. Put a table in the middle. Make a long sofa. Split the components up into individual units, or build a corner section. Tradition is a series of non-traditional modules that can be adapted to the user's needs without compromising on aesthetic, comfort or quality.

ITEM NO.	DIMENSIONS	MATERIAL (COLOUR/S)	PACKAGING	TEST	DRAWINGS
